

## Sitra – Driver Bulk Department Weekend Night

### Looking for a Driver bulk truck fixed night on weekends !

On behalf of Customer work and shuttle work at Cosun Beet Company (formerly Suiker Unie)

Sitra Netherlands in the region (west) of Brabant, Dinteloord is still looking for a night driver for Saturday night and Sunday night for bulk.

You are in possession of your driving licence CE and code 95 are required, VCA is desired.

### What do we expect from you?

#### What do you need to be able to do?

- We expect you to have initial tractor-trailer driving experience.
- Experience with manual transmission is desirable, (Stackbox) but if you can only drive automatic there are also opportunities.

#### Where does your interest lie?

- If you are interested in engineering and working in an industrial environment, then you may be the new colleague we are looking for.

#### We ask:

- Enthusiastic drivers who can take pride in getting customers' freight to its destination safely and quickly.
- Those drivers must hold a CE driving licence, and have completed code 95 training.

### What do we offer you?

Employment with a healthy family business with an excellent track record and good financial results.

Sitra has customers who appreciate committed drivers who know how it's done.

Sitra is well aware that its drivers are the company's calling card.

You will work on regular nights on weekends (Saturday night and Sunday night).

#### Salary:

We offer our employees an appropriate salary according to the TLN collective labour agreement based on knowledge and experience in the D scale.

#### Secondary benefits:

- We keep the code 95 up to date with our drivers, at Sitra's expense.
- We offer a neat pension provision with the transport pension fund.
