

Sitra – Driver shipping containers

In search of Driver shipping containers

What we are looking for:

In order to expand our fleet, we are currently seeking capable sea container drivers in the Greater Rotterdam region.

About our company:

Sitra is an internationally operating transport company. For the Sitra branch in the Netherlands, we are in need of CE drivers. The work will primarily involve sea container transportation in the Rotterdam area. The work can be performed either in day or night shifts, subject to discussion. The base can be either Rotterdam or Oud Beijerland, whichever suits your place of residence best.

We offer:

Employment with a healthy family-owned company with an excellent track record and strong financial results. Sitra has clients who appreciate committed drivers who know how to represent the company well. Sitra fully acknowledges that its drivers are the face of the firm.

We require:

Capable drivers who take pride in safely and promptly delivering customers' goods to their destinations. These drivers should possess a B, C, E driver's license, and have completed a code 95 training. Experience with manual transmission tractors is advantageous. Good knowledge of, and proficiency in, speaking a modern language is required, e.g., English, German, and/or Dutch.

For more information, please call +31104767031 and ask for Jan Riemens.

What do we expect from you?

We require:

Competent drivers who take pride in safely and efficiently delivering customers' goods to their destinations. These drivers must hold a B, C, E driver's license, and have completed a code 95 training. Experience with manual transmission tractors is preferred. Proficiency in speaking a modern language is essential, for example, English, German, and/or Dutch.

For information, please call +31104767031 and ask for Jan Riemens.

What do we offer you?

Salary: We offer our employees a competitive salary in accordance with the TLN collective labor agreement, based on knowledge and experience in the D scale.

Secondary employment conditions: We keep the code 95 certification up to date together with our drivers, with Sitra covering the costs. We provide a comprehensive pension plan through the transportation pension fund.
